Are you a **Delta Provider**? If Yes, _____Delta PPO Y **Delta Premier**

***Delta Premier:** Dentists enrolling for the first time in the Premier Network are also being required to enroll in the PPO network. The requirement to sign with both networks will result in treatment provided to those Delta PPO patients within the practice being reimbursed at the PPO level, without the ability to balance bill those patients to Premier rates. This could result in a reduction in the practice collections that could lower the buyer's projected income depending on the amount of Delta DPO patients in the practice who have actually paid the difference between the fee schedules.
